GEORGE WARD  
SECRETARY  
COMMERCE CABINET

RANDALL L. FIVEASH  
COMMISSIONER  
DEPARTMENT OF TOURISM

Dear Tourism Representative:

You should have by now, received the latest tourism economic impact numbers for your individual county along with the information on the statewide numbers. Attached to this email you will find all the economic impact data on all Kentucky counties in the following format:

- An alphabetical listing of all Kentucky counties data
- County data broken out by the nine tourism regions
- County data broken out within your region

We realize with any new method there are questions you may have. We are happy to answer any of your questions. Just let Cheryl Hatcher or myself know.

After the first of the year I will be coming to each region to discuss the research with you. Also we will talk about matching funds totals. I look forward to seeing you then. In the meantime, I wish you and your family a happy and safe holiday season.

Sincerely,

A handwritten signature in black ink, appearing to read "Randall L. Fiveash".
